## OUR REVIEW OF SALLY AND ALICE

As the name suggests, Sally and Alice Travel Co is the business of two very Kirby and Alice Agar. They have considerable form in the luxury tourism but extremely upmarket tour operator Black Tomato) and, in response to the ex travellers, they offer exceptional levels of personal service. The company is but has already made its mark in the industry.

Their formula is so personal that – again as the name also suggests – you They will happily tailor an itinerary to your personal requirements through c prefer to meet their clients, often referring to an album of photographs, to d women about town in their early thirties with an eye for chic and design, the exceptional detail, suggesting everything you need to help you get the best and shops, or even which clubs you might want to visit.

Sally and Alice travel constantly, keeping their ears to the ground and cons destination, new trends and of course new luxury hotels. Luxury is not all ju service not simply white gloves. What they search for, then, is an authentic surroundings.

Sally and Alice's portfolio is broad, but they are particularly strong on south child and loves the area) and then they have several favourites in the Midd despite its current issues) and several individual places such as Iceland, Si from). They are happy to arrange holidays for anyone from young professic turned down Hannibal Gadaffi once, but if you're man with a honeymoon to (hey, she's got her whole day to organise... and her mother... and you prob: people to speak to.
